PARKING IN MATERA

Parking Information & Access to the Wedding Venues

Matera is a beautiful historic city, known for its ancient Sassi districts, picturesque streets and unique architecture.
If you are travelling by car, please be aware that several areas of the historic centre are subject to **Limited Traffic Zones (ZTL)**, where vehicle access is restricted.

Most public and private parking facilities are located outside these restricted areas. From there, the wedding venues can be reached on foot or, where available, by arranging a local transfer.
Please also bear in mind that walking through Matera may involve cobbled streets, slopes, steps and uneven surfaces.

THE WEDDING VENUES

AREA 8 – Pre-Wedding

Via Casalnuovo 15
Located near the southern entrance to the historic Sassi district. Via Casalnuovo is subject to specific traffic restrictions, which may vary according to the time of day.

Santa Lucia & Sant'Agata – Wedding Ceremony

Porta Pistola, Via Madonna delle Virtù
Located within the historic Sassi restricted traffic area. Direct vehicle access is regulated, and parking immediately outside the venue cannot be guaranteed.

ZIPA Café

Via Madonna dell'Idris 15
Situated in the heart of the Sasso Caveoso, within the restricted traffic area. The final approach is pedestrian.

Regia Corte – Wedding Reception

Piazza San Pietro Caveoso / Rione Pianelle
Located in the Sasso Caveoso, within the restricted traffic area. The venue is reached through the historic pedestrian streets.

PARKING OPTIONS

1. Via Vena Parking

Area: Upper historic centre

ZTL: Outside the Sassi ZTL

A parking option near Via Lucana, with pedestrian connections towards Via Ridola and the Sasso Caveoso.
Access to the wedding venues involves walking through parts of the historic centre, with possible slopes and steps.

2. Sant'Isidoro / Via Lanera Parking

Area: Via Lanera

ZTL: Outside the Sassi ZTL

A covered parking facility located on the southern side of Matera.
Its location provides access towards Via Casalnuovo and the southern part of the historic centre. Transfer arrangements may be available upon request.

3. Piazza Cesare Firrao Parking

Area: Upper town

ZTL: Outside the Sassi ZTL

A covered parking facility near Piazza Vittorio Veneto.
From here, guests can walk through the historic centre towards the Sassi. The route to the wedding venues may include downhill sections and steps.

4. Via Saragat Parking

Area: Upper town

ZTL: Outside the Sassi ZTL

A large multi-storey parking facility with road access outside the historic restricted areas.
The wedding venues are farther away on foot. Local public transport or a pre-arranged transfer may therefore be useful.

5. Nicoletti Parking

Area: Matera city centre

ZTL: Outside the Sassi ZTL

A private parking facility offering transfer arrangements, subject to advance booking and availability.
Guests should confirm parking conditions, transfer destinations and operating hours directly with the operator.

6. Via Rocco Scotellaro Parking

Area: Historic centre

ZTL: Vehicle access must be verified

A central parking option near the upper historic centre.
As this area is associated with separate traffic restrictions, guests should confirm the authorised driving route with the parking operator before arrival.

A SPECIAL NOTE ABOUT PORTA PISTOLA

Porta Pistola is located very close to the wedding ceremony venue, Santa Lucia & Sant'Agata.
Although a parking area exists in this location, **it is situated within the Sassi ZTL**, and vehicle access and parking are subject to restrictions.
For this reason, guests should **not plan to drive directly to Porta Pistola or rely on parking there** unless specific access and parking arrangements have been confirmed in advance.

IMPORTANT INFORMATION

ZTL – Limited Traffic Zone: Vehicle access is restricted and may require specific authorisation.
Parking availability: Spaces cannot be guaranteed unless reserved directly with the parking operator.
Walking routes: Distances and walking times may vary because of Matera's historic layout, slopes, stairways and pedestrian-only streets.
Navigation: Please check the authorised driving route to your chosen parking facility rather than following navigation instructions directly to a wedding venue.
Transfers: Private parking operators may offer transfer services, subject to availability and advance arrangements.
We recommend allowing some extra time for parking and walking to the venues, so you can enjoy Matera's wonderful atmosphere without rushing.
Please note: Traffic restrictions, parking regulations and transport services may change. All arrangements should be reconfirmed closer to the wedding date.
