## VENUE VILLA ORLANDI

Via Finestrале, 2,  
80071 Anacapri NA

The Center is located in an eighteenth-century villa not far from Anacapri, on the island of Capri. Restored with the greatest respect for architectural quality, the Villa is particularly suitable for study and research stays, meetings, short seminars and post-graduate courses.

Its original largest room has been transformed into a conference room capable of accommodating at least forty people.

There is also a smaller conference room for twenty-five people together with two additional rooms for smaller meetings and work groups, with a capacity of ten people each and five workstations equipped with on-line PCs.

The two conference rooms are connected in such a way that the work in progress in one room can be followed interactively in the other.

A hotel on the island of Capri, in a central location and with enchanting views of the sea. And which doesn't cost the earth. Exists. One of the first hotels to open on the Island of Capri, it is hardly surprising if Hotel Bellavista boasts one of the best locations too: perched on the rocky slopes of Anacapri, occupying what was, until the 17th century, a watch tower built to guard against Saracen attack. Wake up in the morning and walk out on to the terrace of your room, where you'll be greeted by the sea surrounding Capri and, in the background, the unmistakable forms of Mount Vesuvius and the islands of Ischia and Procida. Linger at leisure over your sea-view breakfast, savoring your cappuccino and cake and get ready to enjoy the rest of what already promises to be a perfect day.

## HOTEL IL MULINO

\*\*\* 1000 mt -

15 min Via La Fabbrica, 9 - 80071 Anacapri (NA)

<http://www.mulino-capri.com/en/index>

To really experience Capri, you need to connect with the spirit of the island. The Hotel Al Mulino is the ideal place to do just that, immersed as it is in the peaceful countryside of Anacapri, just moments away from incredibly beautiful sites such as Villa Damecuta and the Grotta Azzurra. Built in typical Mediterranean style, the hotel is a restored old farmhouse, which originally belonged to our grandparents. It is from our grandparents, Maria and Pasquale, that we have inherited our love of the simple things of life. The hotel is set amidst a luxuriant green garden, brimming with multi-coloured flowers and full of olive, lemon and fruit trees. The produce of this garden is used in the home-made cakes and preserves served to our guests at breakfast each morning.
